

# International Training Workshop on Urban Development 2.0

**Operational tools  
for integrated and collaborative urban planning**

**Yaoundé, Cameroon 9-10 -11 December 2017**

## Context

The second International Conference on Canadian, Chinese and African Sustainable Urbanization (ICCCASU II), will be held from December 12 to 14, 2017 in Yaoundé under the theme Smart Urban Development: from Local to Global Actions.

Three days before the Conference, an international training workshop will be held on Urban Development 2.0: Operational Tools for Integrated and Collaborative Urban Planning. This international training workshop, jointly organized by the University of Ottawa, the UN-Habitat and the Ministry of Urban Development and Housing (MINHDU), will take place on December 9, 10 and 11, 2017 at the Palais des Congrès in Yaoundé, Cameroon. For the 2017 edition, the ICCCASU organizing committee offers 15 high-level training workshops lasting 3 hours each on various themes.
